

## HAYDEN ANSWERS SECURITY LEAGUE FALSE CHARGES

QUOTES THE CONGRESSIONAL RECORD TO SHOW HIS VOTE ON WAR MEASURES IN SUPPORT OF PRESIDENT WILSON'S WAR PROGRAM.

In a dignified and concise reply to the anonymous advertisements and Republican campaign literature, furnished by the Arizona Security League, Congressman Hayden, in a letter to the editor of the Copper Era, this week the following communication. It is so plain and straightforward that he who runs may read. Congressman Hayden prefaces his statement, with a reproduction of the anonymous advertisement, and as usual when his patriotism and integrity have been assailed, he does not leave his enemies a leg to stand on. Read the following and know the facts:

(Adv.)

Carl Hayden's War Record.

Two years ago Carl Hayden, Representative in Congress, in a printed letter, dated Aug. 28, 1916, addressed "To the people of Arizona," said: "I have not hesitated to address the House of Representatives whenever I thought that I could contribute new ideas to the discussion or when the welfare of our State was involved, but I recognize the fact that the legislative record of a Congressman can better be judged by his votes on important bills than by his oratorical efforts."

Following are six important war measures, according to the National Security League. Hayden voted wrong five times out of six: He voted against: Kahn amendment to the Hay Army bill, March 23, 1916. This amendment sought to increase the Regular Army to 1,750,000, or more nearly approaching the recommendations of the General Staff of the Army.

He voted against: Brandegee amendment to Hay-Chamberlain Army bill, April 18, 1916. This amendment provided for an army of 250,000 as against 140,000.

He voted against: Section 56, providing for a volunteer reserve army wholly under Federal control, April 18, 1916.

He voted against: Motion to recommit naval appropriation bill, June 2, 1916. This motion was designed to instruct an increase in the Navy beyond what was provided in the original bill.

He voted for: Declaration of war against Germany, April 5, 1917.

He voted against: Kahn amendment to conscription act, April 23, 1917. This provided for the raising by conscription of the necessary army to give effect to the declaration of war.

Hayden voted for war, but voted against everything with which to fight the war.

He voted against a volunteer army.

He voted against raising the army by conscription.

He introduced in the House, at the request of Bill Cleary, the I. W. W. leader a bill to prevent citizens of Arizona from defending their homes.

He is against universal military training as now being carried on by the government.

He voted to exempt his own salary from the income tax.

If you do not believe it, read his speech against conscription in the House on April 15, 1917, and his published letters on universal military training.

The National Security League plays no favorites, but gives the entire congressional vote on the above important war bills. Hayden's record is among the worst.

Washington, September 24, 1918.

Hayden's Reply to the Above.

Mr. Vernon L. Vaughn, Phoenix, Arizona.

My Dear Vernon: I have your letter transmitting an advertisement which appeared in an Arizona newspaper attacking my voting record on war measures. I do not wonder that my friends are disturbed over these charges, because if they are true I should not only be defeated for reelection, but a recall petition should have been circulated against me long ago.

The advertisement first consists of some extracts from a poster issued by the National Security League in New York, certain officers of which have appointed themselves as critics of Congress and the administration. The remainder of the advertisement is made up of unfounded and untrue charges and comments prepared by some one who did not have the courage to sign his name to what he had written.

I shall take up this advertisement paragraph by paragraph, giving the truth and the facts in each instance and citing the dates and pages of the Congressional Record where my votes can be verified.

## GOODS MARKING POSTPONED 30 DAYS

MERCHANTS MAKE VIGOROUS PROTEST TO RULING OF STATE COUNCIL OF DEFENSE.

Whether or not the merchants of Arizona shall mark both the cost and selling price of their goods, for the information of the purchaser, is a question, that is occupying the serious consideration of the State Council of Defense at present. The Council issued such an order on August 13th, effective Tuesday, October 1, but owing to the vigorous opposition raised by merchants all over the state, and protests made to the State Council on Tuesday by numerous merchants who appeared before the Council in person, the order was withdrawn for a period of thirty days.

In vacating the order for thirty days, the resolution set forth that this action was taken "for the purpose of obtaining further information from the National Council of Defense and the National War Industries Board as to the best method of putting into effect some thoroughly practical, just and thorough plan to check profiteering in merchandise in the State of Arizona without serious disturbance to legitimate merchandising."

For the past several months the State Council of Defense has been deluged with complaints arising from the high cost of living. The order of the Council was intended as a "ways and means" of tracing the alleged profiteering in the handling of necessary commodities in an endeavor to locate the guilty parties, whether it be the manufacturer, jobber or retailer.

The matter came to a head Tuesday in a conference of representatives of the merchants and the Council of Defense. R. D. Carpenter, manager for the retail department of the Albert Steinfeld Co., of Tucson, was spokesman for the merchants. He contended that the man power needed to comply with the order would be a waste of time and labor, that a great many articles, owing to a loss of style value when carried long in stock, had to be sold at cost or lower, and that the practicability of marking the cost depended entirely upon the staple of the articles.

A. C. Cooling, member of the Council from Mohave county, spoke in favor of the resolution.

E. M. Williams, manager of the A. C. Co. Store and G. A. Franz, of the Becker-Franz Mercantile Co., were in attendance at the conference from Greenlee county.

## DEPUTY SHERIFFS CONFISCATE AUTO WITH BOOZE

CAPTURE MADE AT DAYLIGHT ON DUNCAN ROAD—MEXICAN AT MORENCI IN JAIL ON ESPIONAGE CHARGE—A. N. M. FIREMAN QUILTS HIS ENGINE.

On Saturday morning last, just as day was breaking, Deputy Sheriff Spaw, of Morenci, and Deputy Moore, of Clifton, halted an automobile six miles out of Clifton, and upon searching same confiscated seventy pints of whiskey and one quart of brandy. The party occupying the car at the time was composed of Sello Valdez, Seferino Valdez and Lorenzo Alvarez.

Loading the confiscated booze into the sheriff's car, with the captured auto in the lead, the deputies brought the contraband whiskey and prisoners to the sheriff's office.

Later Saturday morning the three men arrested were arraigned before Superior Judge Laine on the charge of introducing intoxicating liquor into Greenlee county. Lorenzo Alvarez promptly plead guilty and was assessed a fine of \$150.00 and six months on the county road. The other defendants plead not guilty and were bound over to the Superior Court and bond fixed at \$1,000 in each case.

Under the new law passed by the legislature the automobile used in transporting the liquor was confiscated and will be sold at public auction.

For Violation Espionage Act. Hermeto Jimenez, a miner employed in the mines of the Phelps Dodge corporation at Morenci, was brought down from Morenci on Wednesday and lodged in the county jail on a charge of violating the Espionage Act. He had his hearing before U. S. Commissioner Dave Ling on Thursday and was bound over to the federal grand jury at Tucson in the sum of \$2,000. Being unable to give the bond Jimenez is in jail.

Jimenez is specifically charged by the complaining witness, Shift Boss Daniels, with making vulgar and insulting remarks about the United States Government when approached and solicited to purchase Liberty Bonds.

Booze on Freight Engine.

On Tuesday of this week Supt. Geo. Wagstaff, of the A. & N. M. Ry. and Roadmaster J. I. Widner, ordered out the gasoline motor car for a hurried trip to Guthrie. Before leaving they phoned the Sheriff's office and requested that a deputy sheriff accompany them. Deputy Bud Smith was detailed for the trip and the three left for Guthrie. Upon the arrival of the incoming freight train at that point Supt. Wagstaff, Widner and Smith mounted the engine with the announcement that the cab would be searched for liquor as the railroad authorities had been informed that liquor was in process of transportation on this particular engine No. 24. The search by the railroad officials and the deputy revealed nine quarts of Rock and Rye and four quarts of whiskey. Engineer Pike Penn was pulling the engine and Jack Chambers was fireman. After the search had been made, and the liquor confiscated, the freight train pulled out of Guthrie but had only proceeded a short distance when Fireman Chambers quit the engine and proceeded on foot in the direction of Duncan. Later his arrival by auto in Lordsburg was reported at 4 a. m. the following morning. In conversation with incoming passengers from Lordsburg, Chambers is reported to have stated that he intends to make his future home in California.

On Monday Ismael Molinar sought to break the matrimonial ties that bound him to his wife, Antonio M. de Molinar, alleging that she had been unfaithful to him. After several witnesses had testified on behalf of Ismael the Court decided that he had no just grounds for divorce and denied his petition for same.

On Wednesday A. E. Elledge, Naturalization Examiner from Los Angeles, Calif., examined a class of twelve petitioners for citizenship and the following were granted final citizenship certificates: Ernest Mitchell, Christian Caesar, Thomas J. Hutchings, Albert E. Hall, from Morenci, and Roberto Merlo of Clifton. The Morenci petitioners were all British subjects while Mr. Merlo is a subject of Italy. This is the first class that Mr. Elledge has examined in Greenlee county and his visit will probably not be very soon forgotten by several of the applicants whose knowledge and familiarity with our National Emblem was rather vague. Some of the applicants when questioned about the flag did not remember the number of stripes, while others stated that there were thirteen red and white stripes, while still another stated that the stripes ran up and down and that the stars were placed in a white field. Mr. Elledge was dumbfounded at these statements and objected to their admission at this time, suggesting that their hearing be continued until the next term which will be held March 4, 1919, at which time, no doubt, these applicants will be

## METCALF GOES OVER THE TOP IN THE FOURTH LIBERTY LOAN DRIVE

Liberal Patriots of Mining Town Exceed Their Quota During First Week—Morenci Leads With Largest Amount of Money—Duncan Coming Along Splendidly—Big Clifton Rally Saturday Night.

Figures compiled by The Copper Era at noon Saturday (Oct. 5) through the medium of the several banks in Greenlee county, show the following amounts subscribed to the Fourth Liberty Loan in the several towns, and turned into the banks:

Morenci:  
State Bank of Morenci \$28,450.00  
Gila Valley Bank & T. Co. 26,000.00  
Total \$54,450.00

Clifton:  
Peoples Bank \$16,050.00  
Gila Valley Bank, Clifton 15,350.00  
First National Bank 15,300.00  
Total \$46,700.00

Metcalfe:  
State Bank \$12,750.00  
Coronado Mine 15,200.00  
Metcalfe Mine 13,000.00  
Shannon Mine 4,800.00  
Total \$45,750.00

Duncan:  
Bank of Duncan \$9,100.00

Grand Total End of First Week \$156,000.00

The quota for Greenlee county for the Fourth Liberty Loan has been fixed at \$500,734.00. That is the amount our people are to buy of the total which must be sold if the government is to successfully finance, during the next few months, our part in the terrible conflict the Kaiser and his hordes have brought upon the world.

This quota for Greenlee is divided among the several towns as follows: Clifton, \$250,000.00; Morenci, \$250,000.00; Metcalfe, \$40,000.00; Duncan, \$24,000.00.

Of course the people of Greenlee county are going to buy that amount, and the only question is how much more and how quickly are we going to do it? Our people are going at this bond-buying proposition in just the same way that our Greenlee county boys are going at the Helms in France. We are not going to wait until the fight is over before we get into it, and we are not going to stop at the fixed objective of \$500,734 any more than our boys stop when they reach the first German trench or German machine gun nest.

We are going to put Greenlee county dollars back of Greenlee county boys and let them work together so that in the end the "world may be a decent place to live in."

The battle front in Europe is not the only American front. There is a home front, and our people at home should be as patriotic as our men in uniform in foreign lands. Every American soldier who has fallen in France, every American sailor who has died for his country's cause has given his life for his people. Surely we, their people, can lend our money to our Nation, their country.

The Fourth Liberty Loan is the fighting loan. Its great success will bring comfort and encouragement and a deep sense of pride to our Army and our Navy, and to our allies; it will bring discouragement to our enemies. Its success means American victory, Prussian defeat.

The fourth loan is the fighting loan, the soldiers' loan.

Publicity Committee Active.

Saturday night, October 5, at the Tennis Court on the East Side, will be held the first Fourth Liberty Loan rally of the campaign to raise Greenlee county's quota of more than \$500,000. The demonstration Saturday evening has been arranged by the Greenlee County Publicity Committee of which Hon. Dell M. Potter is chairman. This is the second of a series of meetings of this character. On Friday evening, October 4, an enthusiastic meeting was held at Duncan. On Sunday evening, October 6th the committee has arranged for a meeting at Metcalfe and on Monday evening, October 7, Morenci will be the scene of another monster rally. Chairman Potter has secured the services of Hon. A. A. Worsley, of Tucson, as the principal speaker at these Liberty Loan rallies.

A series of rallies, especially intended for the Spanish speaking people of the district, has also been arranged by the Publicity Committee. Mr. A. H. Anaya, of Tucson, will be in Greenlee county on the following dates: Clifton—October 9th. Metcalfe—October 10th. Morenci—October 11th.

The Committee on Publicity proposes to keep up the publicity work all during the campaign and was fortunate enough to secure the services of Dr. Von Kleinsmidt, President of the University of Arizona, who will speak in Clifton on the evening of October 14th and at Morenci on the evening of

Mr. Chesterfield sustained severe and painful bruises about the body but no bones were broken. The remaining passengers escaped uninjured.

## ARIZONA DEMOCRATS IN COMMITTEE ENDORSE COLTER

W. E. LUTZ, OF MORENCI IS ELECTED FIRST VICE-CHAIRMAN AND PETER RILEY IS MEMBER OF STATE EXECUTIVE COMMITTEE—ATTORNEY GENERAL WILEY E. JONES SAYS COLTER IS ELIGIBLE.

Peter Riley, L. F. Sweeting, E. A. Wood, H. A. Elliott, James K. Kerby, and W. E. Lutz returned home on Thursday from Phoenix where they had been in attendance upon the meeting of the Democratic State Central Committee and Democratic Party Council.

The Greenlee county members report a large attendance from the several counties and, contrary to expectations of some, both gatherings conducted their business without friction or animosity.

In the election of officers of the Committee, Greenlee county secured the second highest honorary position in the election of Prof. W. E. Lutz, of Morenci, as First Vice Chairman of the Committee. The officers selected to serve the Democratic party for the ensuing two years include: Babbitt, of Flagstaff, Chairman; W. E. Lutz, Morenci, First Vice Chairman; Mr. White, of Douglas, Second Vice Chairman; Tom Drennan, of Phoenix, Secretary; Mr. Fredericks, of Prescott, Treasurer.

Greenlee county was further recognized in a substantial manner by the nomination of Jas. H. Kerby, Assessor of this county, for State Tax Commissioner, to fill the vacancy on the Democratic ticket in the event the Supreme Court of the State decides that a Tax Commissioner should be elected at this election.

Resolutions by the Committee. Resolutions endorsing the entire state ticket, including Fred Colter for governor, and calling upon all county committees to inaugurate a fight against the present primary laws, were adopted by the state democratic committee at its final meeting at Phoenix Tuesday.

Endorsement of the state ticket was practically unanimous, all of which was widely divergent from expectations. It had been rumored that a storm would break in the committee when the matter of endorsing Fred Colter, as democratic nominee for governor was introduced, because of the question of his eligibility to serve in the event of his election. But the matter seemed to have been carefully ironed out and there were only muffled mutterings when the resolution was read.

Democrats of the state have decided to wage war on the present primary election laws. Experience, they say, has taught them that the present system has many, many faults—some of which are so nefarious that non-party politicians have been able to cause no little amount of dissension in democratic ranks.

This "leakage" was self-evident in the most recent election. It was declared. Hundreds of members of the republican party registered as democrats for the primary for no other purpose than attempting to cast evil designs on the party. It is claimed.

In the resolution adopted all county committees are urged to include in their platforms, provisions for amendments to primary election laws. Proposed amendments to the said laws would make it impossible for a republican to register as a democrat and vice-versa.

About Tax Commissioner.

In naming a candidate for the state tax commission, the party evidently has no desire of being "left in the lurch." When state tickets were being named for the primary election, action was started by Andrew Baumer, secretary of the Arizona republican committee, to prevent Secretary of State Sidney P. Osborn from including the names of any candidates for that office on the state ticket. The matter was aired in court and a decision handed down by Judge Lynam of Maricopa county, was in accord with the view of the republican state committee—that there would not be a vacancy on the tax commission next year.

The case has since been appealed to the supreme court, where a ruling is expected within a comparatively short time. Rather than forego the possibilities of the decision of the lower court being reversed and not having a candidate in the field for said office, the state committee named Jas. H. Kerby as its candidate.

Resolution Naming Kerby.

Following is the resolution naming Jas. H. Kerby, as the nominee of the Democratic party for State Tax Commissioner:

Whereas, a vacancy will exist on January 1st, 1919, in the office of state tax commissioner of the State of Arizona to be filled by election at the coming general election; and,

Whereas, at the last primary election held September 10, 1918, no candidate was nominated or elected the democratic party of the State of Arizona for such office, and there is a vacancy does exist in the list of can-
